BOOK SYNOPSIS

Wedding planner Tyler Warren left heartbreak behind when she ran away from her small Southern hometown and started a new life in a big city. Years later, she wants to believe in the fairy-tale endings her job promotes, but the clients she meets day after day seem to be more "Crazily Ever After" than "Happily Ever After."

Meanwhile, her own attempts at romance play out as bizarre comedies rather than love stories, and she's starting to think Prince Charming either fell off his horse or got eaten by a dragon. When unresolved issues from Tyler's past complicate things even further, she discovers she may yet have some things to figure out before she can find her own happy ending. This delightful first book in the Tales Behind the Veils series chronicles Tyler's wacky misadventures, both personal and professional. Whether she's getting insane requests from brides or outlandish requests on dates, you're sure to be charmed and entertained by the Diary of a Single Wedding Planner.
