

Cell Death in Reproductive Physiology

Serono Symposia USA

BOOK DETAILS

- Author :
- Pages : 305 Pages
- Publisher : Springer
- Language : English
- ISBN : 0387983449

BOOK SYNOPSIS

The regulation of cell death in various reproductive tissues, as in other major organ systems of the body, has become a focal point of research activity in many laboratories over the past few years. As such, the need for a "formal" meeting to highlight recent work in this field, as well as to integrate knowledge from other sources (such as investigators working on cell death in cancer and immune function) in the broad context of identifying conserved pathways that coordinate life-and-death decisions in diverse cell types, became apparent. Therefore, the goals of the Scientific Committee of the International Symposium on Cell Death in Reproductive Physiology, sponsored by Serono Symposia USA, were already predetermined by this need. Simply stated, we sought to bring together for the first time a select cohort of reproductive biologists and cell death researchers, many but not all chosen based on their pioneering efforts in elucidating the fundamental aspects of apoptosis in reproductive and nonreproductive tissues, as a means to review the current status of the field, foster new ideas, and promote scientific collaborations. In the ensuing chapters of this book, summaries of work discussed at the meeting are presented to emphasize both the diversity and the similarities in the occurrence and regulation of apoptosis in tissues of the male and female reproductive systems.

CELL DEATH IN REPRODUCTIVE PHYSIOLOGY SERONO SYMPOSIA USA -

Are you looking for Ebook Cell Death In Reproductive Physiology Serono Symposia USA ? You will be glad to know that right now Cell Death In Reproductive Physiology Serono Symposia USA is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Cell Death In Reproductive Physiology Serono Symposia USA may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with Cell Death In Reproductive Physiology Serono Symposia USA and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Cell Death In Reproductive Physiology Serono Symposia USA . To get started finding Cell Death In Reproductive Physiology Serono Symposia USA , you are right to find our website which has a comprehensive collection of manuals listed.
