## BOOK SYNOPSIS

"Lydia is dead. But they don't know this yet. So begins the story of this exquisite debut novel, about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee; their middle daughter, a girl who inherited her mother's bright blue eyes and her father's jet-black hair. Her parents are determined that Lydia will fulfill the dreams they were unable to pursue—in Marilyn's case that her daughter become a doctor rather than a homemaker, in James's case that Lydia be popular at school, a girl with a busy social life and the center of every party. When Lydia's body is found in the local lake, the delicate balancing act that has been keeping the Lee family together tumbles into chaos, forcing them to confront the long-kept secrets that have been slowly pulling them apart. James, consumed by guilt, sets out on a reckless path that may destroy his marriage. Marilyn, devastated and vengeful, is determined to find a responsible party, no matter what the cost. Lydia's older brother, Nathan, is certain that the neighborhood bad boy Jack is somehow involved. But it's the youngest of the family—Hannah—who observes far more than anyone realizes and who may be the only one who knows the truth about what happened. A profoundly moving story of family, history, and the meaning of home, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, exploring the divisions between cultures and the rifts within a family, and uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another"--

**EVERYTHING I NEVER TOLD YOU** - Are you looking for Ebook *Everything I Never Told You*? You will be glad to know that right now *Everything I Never Told You* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product. Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *Everything I Never Told You* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *Everything I Never Told You* and many other ebooks. We have made it easy for you to find a PDF Ebook without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *Everything I Never Told You*. To get started finding *Everything I Never Told You*, you are right to find our website which has a comprehensive collection of manuals listed.
