BOOK SYNOPSIS

Reality is a lie invented by a technocratic enemy who has written history to its liking. The truth is magicae the universe can be crafted with a simple working of your will. Mages have taught this truth throughout the ages, but the proponents of technology have crushed the mystic masters. Join the last stand in the war for reality. Mage: The Ascension places you in the midst of supernatural intrigues and inner struggles. The more secrets you learn, the more important your wisdom and power become. Mage drags spirituality and metaphysics screaming through the streets of a postmodern nightmare. Guide to the Technocracy contains all the information needed to run a Technocracy-based chronicle and characters. Explore the defenses of Technocratic bases, their corridors of political power and their hopes for the future. Discover how they deal with supernatural threats and what wonders they uncover.
