BOOK SYNOPSIS

Abby Lacey is now unrecognisable to the wild, tempestuous girl who left Dublin all those years ago to travel the world. Based in Sorrento, she plans fairytale Italian weddings. But only she knows the real reason why she abandoned her travels so abruptly ... Lia Lacey now a glamorous, bestselling novelist, bears no resemblance to the struggling single-mother of her past. Mixing among the glitterati of Londons literary crowd, she too has vowed never to return home. But as her troubled daughter, Abby, grows more distant, Lia realises that in order to help her, she must face the one thing she has been running from. Paula Stevens, owner of Dublins most elite recruitment company, has come a long way from the shy, studious girl of her youth. But can she find the courage to be true to herself?
