BOOK SYNOPSIS

This book is for the teenager or young adult who is interested in enlisting in the United States Marine Corps. It will walk him or her through the enlistment and recruit training process: making the decision to join, talking to recruiters, getting qualified, preparing for basic training, and learning what to expect at basic recruit training. The goal of the McFarland Joining the Military book series is to help young people who might be curious about serving in the military decide whether military service is right for them, which branch is the best fit, and whether they are qualified for and prepared for military service. Features include lists of books, web links, and videos; a glossary; and an index.
