BOOK SYNOPSIS

Perfect for fans of Sarah J. Maas and Leigh Bardugo, *Spindle Fire* is an enthralling, wholly original reimagining of a classic faerie story. Half sisters Isabelle and Aurora are polar opposites: Isabelle is the king's headstrong illegitimate daughter, whose sight was tithed by faeries; Aurora, beautiful and sheltered, was tithed her sense of touch and voice on the same day. Despite their differences, the sisters have always been extremely close. And then everything changes, with a single drop of Aurora's blood, a Faerie Queen who is preparing for war, a strange and enchanting dream realm—and a sleep so deep it cannot be broken. *Spindle Fire* is a tour-de-force fantasy set in the dwindling, deliciously corrupt world of the fae and featuring two truly unforgettable heroines, from a writer destined to be a major voice in YA.
