BOOK SYNOPSIS

A comprehensive guide for aspiring school supervisors and instructional leaders. A valuable resource for both aspiring and practicing school leaders, this book is a necessity for any school leader's library. While retaining an emphasis on collegiality, school culture, teachers as adult learners, developmental supervision, reflective inquiry, and democratic schools, this third edition continues to be a trend-setter by placing instructional leadership and school improvement within a community and societal context and presenting three new chapters on the cultural tasks of supervision.
