BOOK SYNOPSIS

The frontiersmen were a remarkable breed of men. They were often rough and illiterate, sometimes brutal and vicious, often seeking an escape in the wilderness of mid-America from crimes committed back east. In the beautiful but deadly country which would one day come to be known as West Virginia, Kentucky, Michigan, Ohio, Indiana, and Illinois, more often than not they left their bones to bleach beside forest paths or on the banks of the Ohio River, victims of Indians who claimed the vast virgin territory and strove to turn back the growing tide of whites. These frontiersmen are the subjects of Allan W. Eckert's dramatic history. Against the background of such names as George Rogers Clark, Daniel Boone, Arthur St. Clair, Anthony Wayne, Simon Girty and William Henry Harrison, Eckert has recreated the life of one of America's most outstanding heroes, Simon Kenton. Kenton's role in opening the Northwest Territory to settlement more than rivaled that of his friend Daniel Boone. By his eighteenth birthday, Kenton had already won frontier renown as woodsman, fighter and scout. His incredible physical strength and endurance, his great dignity and innate kindness made him the ideal prototype of the frontier hero. Yet there is another story to *The Frontiersmen*. It is equally the story of one of history's greatest leaders, whose misfortune was to be born to a doomed cause and a dying race. Tecumseh, the brilliant Shawnee chief, welded together by the sheer force of his intellect and charisma an incredible Indian confederacy that came desperately close to breaking the thrust of the white man's westward expansion. Like Kenton, Tecumseh was the paragon of his people's virtues, and the story of his life, in Allan Eckert's hands, reveals most profoundly the grandeur and the tragedy of the American Indian. No less importantly, *The Frontiersmen* is the story of wilderness America itself, its penetration and settlement, and it is Eckert's particular grace to be able to evoke life and meaning from the raw facts of this story. In *The Frontiersmen* not only do we care about our long-forgotten fathers, we live again with them.

THE FRONTIERSMAN - Are you looking for Ebook *The Frontiersman*? You will be glad to know that right now *The Frontiersman* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *The Frontiersman* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *The Frontiersman* and many other ebooks.

We have made it easy for you to find a PDF Ebook without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *The Frontiersman*. To get started finding *The Frontiersman*, you are right to find our website which has a comprehensive collection of manuals listed.
