BOOK SYNOPSIS

From one of Australia's finest storytellers comes a classic love story. . . It is 1953 in a small Australian country town, a time of postwar prosperity and hope. The Holtens are wealthy, yet austere graziers who have lived on the land for generations. The McBrides are a large and loving shearers family who are new arrivals to the district. When the McBrides' eldest daughter falls in love with the Holtens' only son and heir, it seems impossible that they can have a future together. As conflict and tragedy confront them, it is only with great determination that their love can survive. *The Last Mile Home* is an unforgettable story of the power of enduring love.
