## **BOOK SYNOPSIS**

In **THE LOST CONTINENT** BBC Europe Editor Gavin Hewitt tells the story of a flawed dream, a noble vision that turned dangerous, and which led Europe into its gravest crisis since World War Two - a crisis for which it was totally unprepared. A pillar of the post-war European dream was a shared currency, and with it came easy money, seducing some countries into a wild spending binge. After the financial crash in the United States, Europe caught the cold and was left with a debt crisis that came to threaten the entire European project. **THE LOST CONTINENT** is rich in anecdote, weaving together the stories of ordinary people with the high politics and drama of Europe in crisis to give an unparalleled and vivid portrait of a massive shift in modern history. It includes interviews with top officials and insiders, and dramatic accounts of key meetings. Gavin Hewitt's **THE LOST CONTINENT** is a clear-eyed book by a distinguished and well-connected journalist which tells the astonishing story of how we got here and where we might be headed.
