BOOK SYNOPSIS

Olivia Kaspen is a sharp tongued manipulator used to always getting what she wants. With just one exception-Caleb Drake, the one she foolishly let slip away. After a chance encounter brings Caleb back into her life, Olivia finds herself wanting a second chance with her first love, and asking herself how far she is willing to go to get him back. Her only problem is a red head named Leah, Calebs new love. Olivia must fight for what was once hers, and in the process discover that sometimes love falls short of redemption.
