## BOOK SYNOPSIS

Here is a timeless collection of traditional stories that recount the personal spiritual journeys and true acts of selflessness by saints from various religious traditions indigenous to India, including Buddhism, Hinduism, Jainism, Sikhism, and Sufism. The authors present a diverse selection of these inspirational tales—about both men and women saints, from a variety of time periods, and from all over India—and make them relevant for a modern audience. The stories reveal that, despite their perceived differences, the same spiritual principles underlie all the great religious traditions.
